### Section H Tax Certification – FATCA (US) and CRS (other jurisdictions)

#### What are FATCA and CRS? Some background

The US Foreign Account Tax Compliance Act (FATCA) and the Common Reporting Standard (CRS) are two ways in which a large number of governments are seeking the same thing – to improve global tax compliance. Both require financial institutions to capture relevant information on foreign taxpayers, as follows:

- FATCA promotes cross border tax compliance by US taxpayers, by implementing an international standard for the automatic exchange of information related to those taxpayers. Australia has entered into an inter-governmental agreement (IGA) with the US to implement FATCA in Australia, to be administered through the ATO. The AUS-USA FATCA IGA requires the ATO to obtain detailed account information for US citizens and/or taxpayers on an annual basis. The effect of this is that, to satisfy their FATCA obligations, relevant Australian financial institutions must identify any US taxpayers and report those taxpayers' financial account data to the ATO.
- CRS is a global reporting standard, developed by the OECD, for the automatic exchange of information (AEoI). Its goal is to allow tax authorities to obtain a clearer understanding of financial assets held abroad by their residents, for tax purposes. Over 96 countries have agreed to share information on residents' assets and incomes in accordance with defined reporting standards. Once again, this means that financial institutions around the globe must provide tax authorities with taxpayer financial account data, and the financial institutions must therefore collect this information from their customers and pass it on.

#### FATCA/CRS information - Who should complete this section?

This section should be completed by the person completing the Application Form who is **authorised to provide tax residency and certification information** for:

- all other applicants, and
- the underlying entity e.g. trust or partnership etc., and
- the beneficial owners and controlling persons.

If you are an individual, joint individual, sole trader, or deceased estate complete (1) below. If not complete (2) on page 25.

#### 1. FATCA/CRS certification of individual, joint individual, sole trader or deceased estate

If you are an **individual**, **joint individual**, **a sole trader**, or you will hold the account on behalf of another individual or a deceased estate, then please select the best option below and answer the associated questions. If your account is held on behalf of an entity,

e.g. a company, trust, partnership etc., please go to the section on the next page 'FATCA and CRS certification of an entity.' If you do not provide this information, we will not be able to accept your application.

#### Is the following statement correct? (Tick if applicable)

Your account is held by an individual or an entity acting in the capacity of executor or administrator of a deceased estate, where EITHER certified copies of the death certificate or Grant of Probate/Letters of Administration have already been provided to us, OR certified copies of these documents are attached to this application.

If you selected the above, your FATCA/CRS certification is complete and no further information is required.

### Section H Tax Certification - FATCA (US) and CRS (other jurisdictions) Continued

Is/are all of the Individual applicants (including the person/s for whom the account will be held e.g. a children's account) a citizen or a resident for tax purposes in a country other than Australia?
